

How to access your EGSC Student email (CatMail)

1. Login to the myEGSC web portal using your myEGSC username and password.
(If you do not know your myEGSC username, **Click here** or click the “Click here to retrieve your myEGSC Username” link located on the main myEGSC login page.)
2. After logging in to myEGSC, click the CatMail  icon located in the “External Applications” section of the myEGSC portal.
3. A CatMail web page will open that allows you to send and receive email via the web-based email application.
4. When you have completed using CatMail, click the “Sign Out” icon located in the upper right corner of the CatMail web page.
